

Subject: Application from SEMERGEN for WONCA

Dear President WONCA

In the name of the FACME ASOCIATION (FEDERATION OF ASSOCIATIONS SCIENTIFIC MEDICAL SPANISH) we would like to transmit our professional point of view of the application from SEMERGEN for WONCA.

SEMERGEN is a Spanish medical - scientific society integrated by family medicine doctors .It has been part of FACME for the past few years . Its mission is to support the training and the continuous professional development of its members in order to achieve the excellence.

FACME consider very important this candidature and supports it in order to increase the primary health care so we would like you take note of this point.

Kind regards,

 

Avelino Ferrero MD.
FACME President
